

Green Week Committee

Support Somers *goes* green eCycling

*Start donating used
electronics today!*

It'll cost you nothing, but you'll be saving the earth!

Together with EcoPhones we are delighted to offer this unique and on-going fundraiser to our families! You donate used working/non-working electronics and the PTA receives payment for every item donated!

*We receive credit for working or non-working electronics, but we receive more credit for working items. So please read the **guidelines** below ensure we get the most from your donation.*

What to eCycle

Working & non-working
Cell phones
iPods
Digital cameras
Digital video cameras
Small Inkjet printer cartridges

Where to eCycle

Collection bins are located as follows;
SIS: each great room and under the sign in table in the main office.
SMS: in the entry lobby to the right of the sign in table.

When to eCycle

Throughout the entire school year, starting now! Reminder flyers will be sent out a couple of times per year.

Guidelines for Working and Non-Working Electronics

Cell Phones

Working phones are phones that power up (must include battery), have an undamaged LCD screen, are able to make a test call, are not cracked or otherwise damaged and are not 'locked'.

Non-working phones or phones with excessive cosmetic damage will be credited at a reduced rate.

iPods - Please do not send non-Apple MP3 players.

Working iPods are iPods that power up (must include battery) and all the following are undamaged: data port, memory, microprocessor, digital signal processor (DSP), display, playback controls, audio port and amplifier.

Non-working iPods or those with excessive cosmetic damage will be credited at a reduced rate.

Digital Cameras

Working digital cameras are cameras that power up (must include battery & power cord/charger) and all the following are undamaged: memory, flash, microprocessor and playback controls. Must include undamaged battery, power supply and charger to qualify as working.

Non-working digital camera or those with excessive cosmetic damage will be credited at a reduced rate.

Digital Video Cameras

Working digital video cameras are digital video cameras that power up (must include battery & power cord/charger) and all of the following are undamaged: memory, hard drive, flash, mic, lens, microprocessor, display and playback controls. Must include undamaged battery and power cord/charger to qualify as working.

Non-working digital video camera or those with excessive cosmetic damage will be credited at a reduced rate.

Palm Sized Inkjet Printer Cartridges

Cartridges that have been refilled are considered damaged. Cartridges must not be broken, i.e. cartridges, circuitry or print head. We do not accept laser print cartridges. If the cartridge is bigger than the palm of your hand it is not an ink jet cartridge!
