

2012 Note Card Fundraiser

The SIS PTA is once again offering the opportunity for your children to create their very own stationery. You won't want to miss your chance to purchase color note cards, note pads, and more. All finished products are expected to be returned in time for Mother's Day so they'll make great gifts!!

See the order sheet that is printed on the back of this memo for all products that are available to purchase. Two blank picture forms are attached. You can find an extra supply of blank cards in the main office if needed.

Please return all completed order sheets and cards to the PTA mailbox, Attention: SIS PTA Note Card Fundraiser by February 28, 2012. Checks should be made payable to SIS PTA.

Thank you for your continued support of Somers Intermediate School and our children.
