

SEPTA

Special Education Parent Teacher Association 2011 - 2012 MEMBERSHIP APPLICATION

• The Somers Special Education PTA (**SEPTA**) is a network of parents, educators, and interested parties who recognize and support challenges in parenting and educating children with different learning styles. **SEPTA** is a district-wide PTA which supports all four schools, pre-schools, and community members. **SEPTA** is a unit of the Somers PTA Council.

• **SEPTA's** goal is to serve as a resource for parents and faculty, as well as offer support for special education children. Special education includes **gifted & talented students, students with a disability, and twice exceptional students** (gifted students who also have a disability). We strive to create a community that values and respects each student's learning abilities, and to ensure that all children receive an education that allows them to reach their full potential. **SEPTA** hosts expert speakers and our events are beneficial to ALL Somers families.

Your membership dollars support the wonderful enhancements **SEPTA** provides to the Somers School District community. **Thank you for your support!!!**
