The Special Education PTA of the Somers Central School District invites all parents and teachers to join

If your child:

- receives speech and language, occupational, or physical therapies, or
- receives support in a resource room, or
- is in a self-contained classroom, or
- struggles with homework, or
- receives modifications or accommodations based on his or her special needs,

Then the Special Education PTA is a network of resources, information, and support for you. SEPTA serves parents of children from pre-school through high school. Anyone can become a member of SEPTA. Membership supports the wonderful educational enhancements SEPTA provides to the special education community.
