SHS STUDENT DIRECTORY 2010-2011

The SHS Student Directory is a list of students attending Somers High School. This directory is published by the SHS PTSA and is part of your membership dues. Copies are available for PTSA members only.

Your child will be listed with the same contact information as in last year's SHS Student Directory, or SMS Student Directory for incoming 9th graders.

This is your opportunity to change the information listed last year, or to add or remove a student's listing.

Please complete the bottom portion of this form, and ONLY return if:

- student was listed last year but should not be listed this year
- student was not listed last year and should be added for this year
- student only has a PO Box listed, then please provide student's street address
- information listed last year has changed, or was incorrect

If this form is not returned, your student will be listed with the same information as last year.
