Dear Parents and Friends:

The Somers High School PTSA Scholarship Committee proudly awards **five** distinguished seniors with a \$1,000 scholarship to assist with continued educational costs for college, vocational or trade school. Once again, we are asking for your generous support to make these scholarships available to our seniors.

Donations to our scholarship fund are fully tax-deductible and may be increased through your employer's "Matching Funds Program." Any amount you can contribute is greatly appreciated. We have enclosed a return envelope for your convenience.

Information on the scholarship fund for seniors can be obtained by logging onto the following link: www.somersptacouncil.org/SHS. The SHS PTSA Scholarship Committee thanks you in advance for your continued support.

Sincerely,
