

## SHS STUDENT DIRECTORY 2011-2012

The SHS Student Directory is a list of students attending Somers High School. This directory is published by the SHS PTSA. This student directory is now part of your membership dues. It will be available for you, once we receive your membership.

If your child is an incoming freshmen, information you gave at SMS has been moved over to the high school directory for the 2011-2012 school year. If your child attended Somers High School this year, he/she will automatically be listed in the 2011-2012 directory with the same information as last year.

This is your opportunity to change the information listed last year, or to add or remove a student's listing.

**Please complete the bottom portion of this form and return ONLY if:**

- student was not listed last year and should be added for this year
- information listed last year has changed

**If this form is not returned, your student will be listed with the same information as last year.**
