

## **SIS PUBLICATION CENTER**

The SIS Publication Center works each year to publish books created by our third, fourth and fifth graders. This year we will be opening the Publication Center on November 3<sup>rd</sup>.

We are looking for volunteers to help publish these books. Opportunities to help include: (1) typing the books, (2) proofreading and printing the books and/or (3) laminating and assembling the books. All work can be done at your home.

You don't need any experience and I promise you will have a wonderful time. You will be amazed at the incredible, insightful and funny books our children write!

Volunteer for any or all of the publishing steps, and then help out as many or as few times as you feel comfortable. We are usually most busy in the Spring. If you would like to volunteer, please contact me via:
